Aim and Scope

Entelekya Logico-Metaphysical Review is a semiannual scholarly international peer-reviewed philosophy journal published in May and November.

Entelekya is the project under the name of 'Entelekya School of Logico-Metaphysics'. It publishes studies on the Classical Aristotelian philosophy including Logic, Metaphysics, Rational Psychology and Theology, and their transmissions into the Arabic and Latin world; in addition, other classical, modern and contemporary logical, metaphysical, metaphilosophical and metaethical research related to the Aristotelian tradition.

Author Guidelines are in <https://www.entelekya.org/index.php/review/guidelines>.

Journal Content

Entelekya will provide open access to its contents and does not demand any charge of fee from authors and readers. The articles in the journal are licensed under the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0). All rights of the published papers belong to the author. The author of the paper should be cited for any citations from the paper.
